

National Fishing in Schools Program Teacher Workshop

June 14, 2018
Basalt, CO

The *National Fishing in the Schools Program* is a nationwide, all-inclusive, in-school program that provides teachers with training, curriculum, equipment, and online support to help you teach your students about rivers and river conservation through fly fishing.

Designed to be taught by teachers during the regular school day, this program makes it easy to learn and teach fly fishing to elementary, middle and high school students, whether you are an experienced angler or picking up a rod for the first time.

Roaring Fork Conservancy educators are certified teacher-trainers for the NFSP Level 1 Teacher Training.

WHEN: Thursday, June 14, 2018 from 8:30am – 4:30pm

WHERE: Basalt Middle School, 51 School Street, Basalt, CO 81621

CREDIT: CEU credit is available upon completion of workshop

COST: \$45 which gets you:

- ◆ NFSP Level 1 Teacher Training
- ◆ Use of the NFSP Kit (a \$3,350 value) for your classroom throughout the school year and access to online curriculum and other resources
